This will assist marshals in ensuring that swimmers are competing in the correct age group.

DUTIES OF STUDENT OFFICIALS

Presentation Area

The first 3 place getters will be required to assemble at the presentation dais and be announced.

Runners

Poolside Recorders

Ensure results copies are taken immediately to;

1. the computer recording station and
2. the announcer

Record name and school of all competitors in school lane order before each event.

Timekeepers

Manually operate the timing buttons in each lane at the finish end of the pool. These are a backup for the computer operator.

Assist with certificates, collating results and problem solving as required.

Refreshment Attendants

Commence duties at 10.15AM. Ensure that all pool **deck officials**, both staff and students, receive adequate refreshment during the carnival. (Please ensure that non-slip shoes are worn by these students). Assist with drinks for other staff members in the refreshment room. Ensure the refreshment room is kept tidy at all times. Refreshments are only supplied to carnival officials who have been assigned duties by the meet manager. This includes student officials. Teachers in the stand will be required to purchase their own refreshments and food.

GUIDELINES FOR SUPERVISING STAFF

Duty of Care

Schools are reminded that the Department policies and guidelines as they apply to water based excursions operate for all competing schools. This is an individual school responsibility. School Sport WA will insure that the competition is conducted in compliance with mandated Department requirements.

Supervising staff should endeavor to maintain relative quiet for start of events and while PA is in use. Noise making instruments and crepe paper streamers are **not permitted** at carnivals.

Schools should provide their supervising teachers with passes to help control student movement to the toilets and kiosk. Individual schools can decide how best to use these passes. The following strategies have been used successfully in the past:

- A limited number of passes should be held by teachers with provision for name, time and teacher's initials.
- Each spectator should be issued with a pass requiring teacher's endorsement of time.
- All staff are asked to wear identification showing name and school. This will greatly assist students, carnival officials, teachers from other schools, and venue staff.

Swimming is restricted to competitors in the main pool only – i.e. there will be no recreational swimming. To avoid overcrowding in kiosk/vending machine areas, a release of students at a rate of 2% of spectators each 5 minutes would allow a steady flow and permit students an absence from the stands for about 20 minutes.

Starter (supplied by School Sport WA)

Drop off / pick up zones are strictly 5 minutes only and drivers must remain with the vehicle at all times. These are the only areas where drop offs and pickups are to occur.

- **Drop off / pick up zone 1:** located on the right hand side of the Stadium. Turn right at the roundabout and enter into the first entryway, following the loop around to exit via the roundabout.

SSWA SWIMMING CARNIVAL OFFICIALS 2020

The schools roster for 1 staff member and 6 student helpers will be available early in March 2020 in the Briefing Notes

See Division Programs at <http://www.schoolsportwa.com.au/interschool/secondary/swimming/>

Schools are asked to bring with them:

- Swimming Team List – this is to be handed to the Carnival Manager OR to the Recording Room prior to the start of the carnival. This should include any students swimming up a year group all day as they will have to be adjusted on the Carnival database.
- Please use correct names as they appear on the SIS lists (not preferred or nick names)
- A thick black marker to write Year Group on the swimmer's arm
- An up-to-date SIS list (which we have emailed to you) – keep these with you, no need to hand them in.
