4. Finals

Finals fixtures will be arranged by the School Sport WA Basketball Coordinator. Senior finals will be held out of school hours.

Senior Finals will be in two divisions:

Senior Champion Schools Basketball – Teams will nominate for this division and it will include all Specialist basketball schools, the ACC, PSA and IGGSA champion school and any other winning team from the various leagues. Teams will compete in a round-robin competition with the winning school in both boys and girls being eligible to attend the National Schools Championships Division conducted by Basketball Australia.

Senior All Schools Basketball – Teams will play in a knockout competition. Winning teams will be the champions of this division. **Non-specialist Government Schools only. As of 2019 ACC Schools were not accepted into this competition.**

Schools are only permitted to play in **ONE** division in the Senior Finals.

Junior League – Grand finals will be held at the Bendat Basketball Centre, after the completion of North and South of River finals using a one-day carnival format. The top two winning teams from each league carnival will compete in the Champion School's play offs and the 2nd placed teams in each league will move through to the All Schools playoffs. The time and date to be determined by the Schools Organising Committee.

5. Venues

The venues for the round robin will be arranged by the competing school. This should be on a home and away basis when possible. The venues for the finals will be neutral, and will be booked and paid for by School Sport WA.

6. Fixtures

The fixtures (days and times of competition) for the round robin will be set up by the League Coordinators in co-operation with all school representatives of their League. **Girl's games are to be played on a Monday afternoon and the Boy's games are to be played on a Tuesday afternoon.** These days are subject to negotiation between schools for individual games, however if an alternative agreement cannot be reached by both schools, these allocated days must be adhered to.

7. Game Timing

The timing of all finals games will be 4 x 8 minute quarters; fully timed (the clock will stop on all whistles). To get teams ready for this style of game it is suggested that the round robin games be played by the same timing method if possible, but this is not mandatory. 4 x 8 minute quarters can be played if both coaches are agreeable, if not, 2 x 20 minute halves should be played.

8. Referees

The finals games will be refereed by qualified Basketball WA referees. Sport Staff One (<https://ssoaustralia.com/>) and Refing Hoops (enquiries@reffinghoops.com.au) have indicated they maybe able to assist schools in 2020.

For ALL round robin games, schools in each League must supply ONE competent referee. Referees used by schools must have refereed previously (Students or external referees) or have significant knowledge of the rules of basketball (teachers).

9. Team Make-up

The teams in this competition may consist of between five and twelve players.

10. Numbers

The following numbers may be worn on player uniforms:
00 – 99.
